

Community Planning Aberdeen Board

Evening Meeting 26th May 2014

“CPPs must be genuine Boards with all the authority, behaviours and roles that implies for them and constituent partners.”

Statement of Ambition 2012

Excerpt from CPA Board Role and Remit

- ***To horizon scan, set the strategic vision and anticipate risks to the delivery of local services;***
- ***To generate ‘buy in’ across respective organisations, agencies and groups to ensure the effective delivery of the SOA at a strategic level;***
- ***To provide the leadership and build positive relationships to ensure organisations collaborate to develop solutions to local problems and barriers to improve services and deliver better outcomes.***

Questions for discussion

1. What do you notice about yourself when you're within Community Planning Aberdeen formal structures eg the board?
2. What do you notice about us as a group when we're together?
