

<p>Fairer Aberdeen Fund Workshop – still awaiting dates</p> <p>Action Tracker to be more clearly defined in the Minutes</p> <p>Visit dates from Vice Chair and Chair of CPA to be requested to allow planning of agenda</p> <p>No other matters arising other than covered on the Agenda</p>	<p><b>JM to request dates from the Fairer Aberdeen Team</b>  <b>JM to action for next meeting</b></p> <p><b>JM to action</b></p>
<p><b><u>2 Locality Improvement Tracker</u></b></p> <p><b>VictoriArt</b> – This is on track and the Partnership noted the positive addition of the anchor in Torry</p> <p><b>Uptake of Free School Meals</b> – We are seeing incremental take up in registrations. The team are working with council teams to look at possibilities of auto enrolment. There will be a phase two project providing key focus on the take up of free school meals for those registered, some of this activity has happened in the first phase.</p> <p><b>Alcohol and Drugs Improvement Charter</b> – This project has delivered some activities around community awareness and training of key staff to make referrals – however it needs to be further developed with partners engaging more fully</p> <p><b>Domestic Abuse and Coercive Control</b> - This charter is yet to start</p> <p><b>Dog Fouling</b> – This project is now closed and due to success attracted additional funding to scale up across Aberdeen</p> <p><b>Free Food and Fun</b> – This project is a City wide project and will be delivered at Tullos Primary in the summer holidays</p> <p><b>Jog Torry</b> – Further work needs to be done on this to make it an improvement project, maybe a change idea to look at the obesity agenda</p> <p><b><u>3 Improvement Project Identification</u></b></p>	

We need to have a project that focuses on youth ASB – There are only a small minority of young people involved locally. Focus is on targeting the next generation to involve in them in activities. Torry Youth Action Group has been established pulling together organisations delivering activities and targeted initiatives. Potential improvement project to be developed around Youth ASB that police can lead, one change idea could be involving somebody from Police on a consistent basis in Big Noise. The Partnership also felt there is a need to identify ‘something for the community to do’ and consideration needs to be given to use of vacant Finnan Place shops to regenerate that area.

Jo encouraged partners to develop improvement projects against the priorities in the Locality Plan and bring these to the Partnership for consideration.

#### **4 Torry Brand**

The sub group are working with partners to produce a video (December/January target) music video, upbeat version of “Torry Song” with a dance performed by community groups with “Talking Heads” on video about Partnership’s successes to date and priorities

#### **5 RGCF Bid and Torry Hub**

Colin updated the Partnership on progress to date in the development of proposals for the RGCF Bid following the special Hub meeting (7<sup>th</sup> June 2018) which discussed the design and the RGCF Bid. Cllr Allard would like more input into the bid and any further submissions will endeavour to do this, bearing in mind the short lead in times provided by the Government for Full Guidance. Colin reiterated that the project is still at feasibility stage. The Partnership expressed a desire to be more involved in the development of the project going forward and agreed to ask the architect to meet with them and the Project Team.

#### **6 Torry Development Trust**

David Fryer, Simon McLean, presented details of proposed bid

The proposal is for the development of the Victoria Road School and site for a community led mixed

**Police Scotland - Discuss Improvement Project options at next TYAG meeting and report back to Locality Partnership**

**JM to set up a meeting with the Partnership and the Project Team**

<p>development of affordable housing (varied 1, 2, 3 bedrooms to meet local need) and community facilities, David shared details of drawings.</p> <p>Jo explained that a Council Committee decision is to be made in September about the sale of the site</p> <p>TDT are submitting a bid to Aberdeen City Council for RGCF Funds. Once submitted all the RGCF bids, including the Torry Hub, will be assessed via the Council’s internal governance process to determine which projects are viable to go forward in the Council’s name. The Partnerships agreed to endorse the bid.</p> <p>David Fryer also expressed the view that there is a need for further security measures at the site currently to further reduce the risk of youths accessing the building.</p>	
<p><b><u>7 Annual Report</u></b></p> <p>Jo explained that the Partnership needs to produce an annual report as part of the Community Empowerment ACT Scotland (2015) legislation. The draft will be available at the next Partnership Meeting. This will highlight a review of progress to date against priorities and highlight any gaps. The hope is annual report will highlight where things are not improving and help with the Locality Partnership prioritising and identify issues to feed up to Community Planning improvement groups.</p> <p>The Partnership fed in suggestions of thing which could be included and all partners to feed in suggestions to Colin.</p> <p><b><u>8 Taking Stock</u></b></p> <p>The Partnership noted the difficulty prioritising such a huge plan. The Annual Report provides an opportunity to ‘take stock’ of successes and challenges. The Partnership agreed to arrange take stock at the next Meeting and asses whether a workshop would be beneficial</p> <p>It was also agreed to include discussion of how we support a member of community to take on the role of Chair. Community reps to consider this and discuss with Jo.</p>	<p><b>JM to circulate draft</b></p> <p><b>JM to present the Annual Report at the next Partnership Meeting</b></p>

**9 Times and Dates of Future Meetings**

JM will circulate times and dates for the next 12 months for Partnership Agreement
