

6.2 Positive Destinations

Project Aim		Start Date	Testing End Date	Progress Scale																																																										
Increase the number of young people living in Quintiles 1,2 and 3 who achieve a sustained positive destination by working with communities to 90% 2022. Project Manager: James Simpson (ACC) Project Charter Approved July 2019		Jul 2019	Dec 2022	6 – Testing Underway																																																										
Changes Being Tested (Specify location/ test group)		Are our changes resulting in improvement?																																																												
<ul style="list-style-type: none"> An onboarding cycle – to secure engagement with pupils throughout the programme A confidence survey – to assess the impact on pupil’s confidence in career progression having undertaken the masterclass 		Decline in attendance toward the end of the first cohort (7/8 th of Oct) was due to this being the last week of term. The onboarding process introduced in the second cohort has shown significant increase in their overall attendance and engagement. The confidence survey has yet to be repeated but pupil feedback indicates that they can recognise improved communication skills and have a better understanding of personal strengths having been part of the course																																																												
Improvement Data
