

11.5 - Autism and Employability

Project Aim	Start Date	Testing End Date	Progress Scale
Increase the number of autistic people aged 16 to 25 who are supported into employment by 2021. Project Manager: Jenny Rae, AHSCP Project Charter Approved December 2019	Dec 2019	Dec 2021	5 – Designing Changes
Changes Being Tested (Specify location/ test group)	Are our changes resulting in improvement?		
No changes being tested as of yet. Project was on hold until October 20 as a result of covid-19.	Employer toolkit under development - Focus Group took place with 8 employers (26/2/20) - pre-focus group questionnaire completed and post-focus group questionnaire to be developed and distributed. Focus Group with Autistic people being arranged. Need for greater understanding of support that would be beneficial to employers – evidence of this via post-focus group questionnaire, with development of tools to meet the support needs.		
Improvement Data			
<p style="text-align: center;">No. of people with autism who are in employment within engaged employers</p> 	<p style="text-align: center;">No. of employers engaged</p> 		
<p style="text-align: center;">Self-reported 'confidence' level pre & post toolkit</p>
