Project Aim	Start Date	Testing End Date	Progress Scale
To increase the number of alcohol on-sales licensed premises in Aberdeen achieving Best Bar None status by 25 % by December 2021. **Project Manager:** Neil Campbell, Police Scotland Project Charter Approved December 2019	Dec 2019 Project paused April to August – COVID 19	PROJECT ON HOLD Status will be reviewed as part of LOIP Refresh	On hold

Changes Being Tested (Specify location/ test group)	Are our changes resulting in improvement?
PDSA plans for following changes in final stages of development to start testing in April 2020: • Utilise a team of national assessors to carry out local assessments to ensure transparency, consistency and integrity of process • Introduce local award categories to specifically target smaller community based venues • Best Bar None initiative to be focussed on a specific community (Woodside, Tillydrone and Seaton Locality Partnership) • Communications / publicity of Best Bar None on social media and wider platforms.	The National Best Bar None Scheme has been suspended until the end of March 2021. We are no longer able to progress with any of our tests of changes and will review this again in March 21.
