

13.1 Workplaces Growing Together

Project Aim		Start Date	Testing End Date	Progress Scale								
Increase community food growing in schools, communities and workplaces by 2021. Project Manager: Steven Shaw, ACC Project Charter Approved July 2019		July 2019	Mar 2022	6 – Testing Underway								
Changes Being Tested (Specify location/ test group)		Are our changes resulting in improvement?										
<p>Awareness raising event held on 7 October 2019</p> <p>Does the website, personal contact and practical support help organisations to move from being interested to actually taking part (end date May 2021)</p> <p>Does introducing a competition between organisations increase participation (end date May 2021)</p> <p>Will a protocol with Facilities departments remove barriers to workplace growing (end date April 2021)</p>		<p>Very successful event which saw a number of new organisations note an interest. 3 organisations signed up to workplace growing so far (ACC, NHS and Scottish Fire and Rescue) https://www.youtube.com/watch?v=64FmWe2AeOw</p> <p>Yes. They will become partners and receive regular food growing updates etc.</p> <p>We don't know yet but early indication is yes. The Chief Executives of ACC and NHS were certainly up for a bit of competition.</p> <p>We had very positive communication with ACC Facilities and they are supportive of the project. Hopefully this acts as a spur for others.</p>
