However, city-wide numbers of ASB calls to Police have seen a ‘shift’ (a significant increase) – coinciding with the introduction of Coronavirus regulations, and a further increase in August at the time of local lockdown restrictions. It is not possible to separate out the COVID-related calls from other ASB calls. Prior to COVID, numbers were reducing. |                  |  |      |     |      |     |      |     |      |     |      |     |      |     |      |     |      |     |      |      |      |      |      |     |      |     |      |     |      |     |     |     |      |     |     |     |      |     |      |     |      |     |      |      |      |      |      |     |      |     |      |   |  |  |       |           |     |    |     |    |     |    |     |    |     |    |     |    |     |    |     |    |      |    |      |    |     |    |     |    |     |    |     |    |     |    |     |    |     |    |     |    |     |    |
